AVCA Postseason Student-Athlete Awards Information

The 2025 AVCA Men's National Collegiate volleyball postseason awards program is in its 35th year. The AVCA is proud to honor deserving student-athletes annually by selecting All-America teams (12 student-athletes per a first and second team) highlighted by the selection of the AVCA National Collegiate Player of the Year and the AVCA Newcomer of the Year. The AVCA National Collegiate All-America Team selection committee is comprised of thirteen members and the AVCA committee chair. To ensure representation, these individuals represent the eight conferences for men's volleyball.

NOMINATING PROCEDURES

The postseason student-athletes awards nomination procedure is an online process. Detailed instructions will be sent at a later date. Your team must be finished with regular season play before you can complete the process.

There are no restrictions regarding how many student-athletes one team may nominate, as there are no restrictions on the number of student-athletes that one team can place on the AVCA All-American teams. Please use your professional judgment to only nominate those student-athletes who legitimately have a chance to earn honors.

Please note that one spot on the 24-member AVCA National Collegiate All-America Teams will be designated for the libero position.

NOMINATION RULES & REQUIREMENTS

The general requirements for nominating a student-athlete for AVCA postseason honors are:

- The student-athlete must meet all eligibility requirements as listed in the rules adopted by his respective institution.
- The student-athlete may be in his first, second, third or fourth year of eligibility.
- The student-athlete must be nominated by the head coach of his institution.
- **Athletes are required to have played in 2/3 of the sets played in order to be nominated.**
- All deadlines and guidelines must be met for a nomination to be considered.
- The student-athlete's head coach must be a member in good standing of the American Volleyball Coaches Association. Head coaches have until **Monday, March 31, 2025**, to become a member or renew their membership to ensure compliance.

TERMS FOR DISQUALIFICATION

Failure to meet the above stated rules and requirements may result in the disqualification of a student-athlete from AVCA postseason awards consideration.

NEWCOMER OF THE YEAR CANDIDATES

The AVCA recognizes the top player in his first year of NCAA competition. The nominee can be a freshman, sophomore, junior, or senior but must be in his first year of competition for an NCAA program. Student-athletes following a redshirt year and transfers from a two-year or DI-II institution are eligible for the award. Only **one** player from each institution can be nominated.

ALL-AMERICA NOTIFICATION

If your student-athlete(s) is selected AVCA First or Second Team All-America or Newcomer of the Year, head coaches will be notified via a phone call from the AVCA staff. Head coaches providing a number how to be reached away from your home or office is most helpful. The AVCA needs to determine as soon as possible if your all-American(s) will be attending the awards presentation to receive his award.

Postseason Statistical Selection Criteria

The postseason selection committees will consider the criteria listed below when selecting the postseason honorees. The student-athletes will be compared with others of the same position and ranked using the statistics submitted. All calculations should be made using the interpretations found in the NCAA Volleyball Statistics Manual. All statistical data will be considered; however, the importance of each shall be left to the judgment of the selection committees.
